If it weren't for The New Guard, people around Adelaide would dress awfully... lame. Not really, but The New Guard girls do a pretty good job at giving great fashion through Australian and international labels like Acne, Arnsdorf, Ksubi, Surface 2 Air, Dion Lee and Tina Kalivas to name a few. Recently they added labels Complex Geometries, Erin Wasson x RVCA and Opening Ceremony to the mix. Do yourself - and your wardrobe - a favour and get on down to the Unley Rd store.
