

### Statement seat

The **real living** team are currently fighting over this simple yet oh-so stylish new chair from Fanull. Designed by Lucidi Pevere, it is injection-moulded from reinforced propylene giving it super-sharp geometric lines. The chair is extremely durable and suitable for indoors and out. Oh, and it's stackable, too!

**Plana chair in White**, \$299, Fanull. Also available in Black, Lime Green or Beige.

### money talks

Dynomighty has come up with a range of new designs for its conversation-starting **Mighty Wallet** range.

With names like "Explorer", "Stop Shopping" and "Mix Tape", you'll be intrigued. See [Vincent2.com.au](http://Vincent2.com.au)

**TOP "35mm" Mighty wallet**, \$29, Vincent 2.

**RETROMODERN** SPECIALISES IN LOVINGLY RESTORING AND MODIFYING VINTAGE SIDEBOARDS, BUFFETS AND CABINETS TO CREATE UNIQUE LIKE-NEW PIECES WITH RETRO APPEAL

### SHARP DESIGN

This is no ordinary sharpener. Made from wood and steel, it looks like the real thing but won't sharpen pencils. It will keep them tidy, though, as a fun pen pot. Suck UK **sharpener desk tidy**, \$39.95. Until. For stockists, see page 160.

### ON THE BALL

Simple gadgets are often the best and that's why we love this great little device. The laptop raiser is easy to use, keeps your computer cool and helps ease the strain on your wrists. Brilliant! **Noteball notebook raiser**, \$25, [Noteball.com.au](http://Noteball.com.au)

### WHITE WORKS

New concept store **White By Kikki.K** (see right) beautifully presents a range of stationery, leather goods and giftware – yep, you guessed it, all in white! Founder Kristina Karlsson says, "White is a tone that can turn chaos into calm." So for a little serene stationery shopping head to White By Kikki.K at The Strand Arcade, Sydney.
